#### RICHFIELD.

(Special to The Herald-Republican.)  
Richfield, Oct. 9.—One of the pleasant friendships of the season was the party tendered Thomas Ogden in honor of his 60th birthday. His family and friends prepared the function, and after all arrangements had been completed it was discovered that in addition to being 60 years of

age it was the silver anniversary of his marriage to "Aunt" Hannah Ogden. The event was thus doubly celebrated.  
Mrs. J. F. Chidester reached the age of 45 years on Wednesday and her family prepared a celebration at the residence on Second North street. Games, music and a delicious luncheon were features of the event.  
Miss Clara Blackburn was the guest of

honor at a party given to commemorate her departure for Burrville, where she will teach school this winter.  
Mrs. Clara Pancoast and Mrs. James A. Bickel entertained at a Kensington Saturday afternoon in honor of Mrs. F. H. Denehower of Peoria, Ill., who is visiting her sister, Mrs. Bickel. Music formed the chief part of the entertainment and excellent refreshments were served.

A marriage license has been issued to Allen W. Stout of La Verkin and Ellen L. Thurston of Annabella.  
Michael Kane, one of the prosperous farmers of Vermilion, was a Richfield visitor this week.  
Ephraim Dastrup of Sigurd has assumed charge of the Sigurd Mercantile company's store for the winter.  
Mr. and Mrs. Thomas Ogden and their

children arrived home from the Yellowstone park this week after a summer spent in making the trip overland. They have many friends and relatives in northern Utah and Wyoming and they visited all of them during the summer.  
Miss Mary Clark returned yesterday from Provo, where she has visited for the past month.  
One of the society events looked forward

to with interest is the opening of the new Southern hotel. The hostelry has been undergoing extensive improvements during the past two months and when completed it will be one of the real hotels of central Utah. A social function will mark the completion of the improvements.  
Reginald Brain arrived here yesterday from Minersville, on a visit to his parents. He is teaching music at Minersville and

has charge of the choir there. He will shortly remove to Salt Lake.

Do you kodak? We finish and sell the supplies. Salt Lake Photo Supply Co., 142 Main street.
